### Payment Information:

Card Number: \_\_\_\_\_ Exp Date: \_\_\_\_\_ CVV: \_\_\_\_\_ Name \_\_\_\_\_

**Handling Instructions:** Please send the device with any shipping company you prefer. We recommend insuring the package as we are not responsible for loss or damage in shipping. Please include this form in the package.

**Repairs other than those covered under warranty:** There will be a \$5 evaluation fee per monocular. After the monocular is evaluated, you will be notified of the repair costs. The cost is usually between \$50 and \$75, unless there are missing or unusable parts. We require your credit card information in advance.
